SureBind™ System 1

Overview

The System 1 is a manual punch and electric bind suitable for documents up to 200 pages (80 gsm). Using just one capacity of Strip (25 mm), the System 1 will manually punch up to 22 pages per lift and bind in under 10 seconds by simply lowering the handle and trimming/welding the pins to the 'partner strip' in one simple, swift action. Binds up to 330 mm. Binding capacity up to 200 sheets (80gsm) – 25 mm. Maximum punch capacity 22 sheets (80gsm). Requires just one-size binding strip for all documents. De-bind tool included.

Description

If you need a secure solution for binding contractual, legal, personnel and other professional documents then you need look no further than the GBC SureBind System One. It produces distinctive documents that convey quality and elegance and guarantees to offer that extra special look to book bound documents. Documents are custom bound using hot knife technology to permanently lock pages into place keeping confidential projects safe and secure.

The GBC SureBind System One is a manual punch and electric binding system suitable for documents up to 200 pages of 80gsm paper, ideal for small and medium sized businesses.

The punch is centred for right or left handed users and will punch up to 22 sheets of 80gsm paper in one go. Binding is then completed by using a 10 prong plastic binding strip that is trimmed and welded to a partner strip to create a spine in under 10 seconds by simply lowering the binding handle. You only require a one sized binding strip to bind any sized document up to 330mm.

Featuring an adjustable paper size guide that ensures accurate alignment along the paper length and a size guide that quickly determines the size to which the binding strip has to be cut. Also included is a de-bind tool in case you need to rebind the document. The SureBind System One is the perfect solution if you need to produce tamper-proof, professional and great looking bound documents.

The robust SureBind System One weighs 18kg and is sized at 275(H) x 515(W) x 612(D) mm. It is offered with a 2 year parts and labour warranty for additional peace of mind.
