

OPUS MB 300 BINDING EQUIPMENT

PRODUCT DESCRIPTION

The OPUS MB 300 is the flagship of OPUS binding machines for professionals.

Solid metal construction, ergonomic lever, power pressure indicator and ability to bind and debind up to 300 sheets of 80 g/m² paper makes it the favourite model of every copy shop.

Pressure indicator for large binding runs of documents gives a signal when the correct pressure for METALBIND / C-BIND channel is reached to avoid damage. 10 pressure levels, angled bed for ease of use, front binding slot.

You can easily bind thesis books, photobooks, business books, e.g. tenders, reports, proposals and much more in a few seconds.
